SPONSORSHIP PACKAGE

2019-2020

Who are we?

- The official team that represents McMaster University at the **International Collegiate Programming Competition (ICPC)** every year
- A community of passionate individuals dedicated to increasing the technical skills of all McMaster students

What do we do?

- Assist in connecting McMaster's top talent to job opportunities
- Discover and train the most talented students for the **ICPC**
- Provide resources for students to improve their technical interview skills
- Host workshops on algorithmic concepts
